Subject: Request for Complete Reclamation Contract (form MR-RC), S/015/090,
The Rockland Mine, TRC Minerals, Inc., Emery County, Utah

Dear Mr. Luong:

Division approval of the Letter of Credit issued by the Bank of Oklahoma in the amount of \$25,000.00 cannot occur until a complete, signed, notarized, and original reclamation contract (for MR-RC) has been submitted to the Division. All required forms and documents must be received to proceed with approval of the mine transfer. Enclosed is a reclamation contract that has been completed on your behalf. Please complete the bonded acreage as shown on Attachment A of the Reclamation Contract. Contact the Division if there are discrepancies or deficiencies on Attachment A that require changes. Once the contract is correct and complete, sign and have it notarized and return the original.

Thank you for your timely efforts in completing the transfer process thus far. If you have any questions or require further discussion regarding the content of this letter, please contact Minerals Surety Coordinator, Beth Ericksen, (801) 538-5318. In reply, please refer to file number S/015/090.

Sincerely,
